Information

Dimensions	13.8x4.1 cm
Pack size	13.8x4.1 x 4.1 cm
Net weight	90 g
Gross weight	120 g

- Up to 8 hours of protection
- For skin and clothing
- For adults and children
- Dermatologically tested

Ballistol Stichfrei® Classic is an insect repellent with skin-caring properties. It provides up to 8 hours of protection against mosquitoes, ticks and other insects, is DEET-free and contains Icaridin. The product is suitable for adults, children from 2 years old, as well as pregnant women, and can be applied to skin and clothing.

Areas covered only by thin clothing can also be treated to enhance the protective effect. The dermatologically tested formula moisturises, does not dry out the skin and leaves a fresh, light citrus scent.

- Up to 8 hours of protection against mosquitoes, ticks and other insects
- Applicable on skin and clothing
- DEET-free, with Icaridin and dermatologically tested formula
