

Item no. 320/620

Manufacturer's no. 9229S21210BKS (SP-2)

Entry Light Night Eye 620

Information

Dimensions	62 x 4.5 x 4.5 cm
Pack size	62 x 4.5 x 4.5 cm
Net weight	240 g
Gross weight	240 g

The Night Eye 620 entry light provides increased safety and comfort at the vehicle. Installed above the exterior door, it reliably illuminates the entry area and simultaneously serves as drip water protection.

The integrated PIR sensor automatically switches the light on when movement is detected. In conjunction with an external 2-pole switch (not included), you can choose between PIR operation and continuous light. The installed LED tape with IP65 protection class is dust-tight and protected against jet water – ideal for permanent outdoor use.

Advantages:

- Installed above the door with drip water protection
- Automatic switching via PIR sensor
- Optional PIR or continuous operation via external switch (not included)
- LED tape IP65 suitable for outdoor use

Specifications
