Manufacturer's no. EU-10020040

Biodegradable Toilet Bags with Barrier Film, Film Liners for Clesana C1

Information

Dimensions	31.6x6.9x11.1 cm
Pack size	32 x 11 x 7 cm
Net weight	974 g
Gross weight	974 g
Catalogue page	474

Hygienic & odour-proof

The DIN-certified high-barrier film liners provide reliable protection against odour and moisture permeability. The innovative multi-layer film is made from biomass and recycled materials and is ideally suited for use in mobile toilet systems.

Thanks to the excellent barrier properties – an oxygen permeability of only 0.14 cm³/(m² d bar) and a water vapour permeability of 1.42 g/(m² d) – the contents remain securely enclosed even over days and weeks. Changing is clean and comfortable. One film liner is sufficient for the airtight sealing of around 40 bags.

Contents: 2 biodegradable high-barrier film liners per pack

Made in Germany

Specifications

Colour	grey
Content	2 pieces
Suitable for	Clesana C1
