

Item no. 300/641
Manufacturer's no. .224525

Tap Carletta UT

REICH
 WATER SOLUTIONS

Information

Dimensions	130x113x46 mm
Pack size	16.7x6x5.6 cm
Net weight	218 g
Gross weight	218 g

Apart from the swivelling handles and the outlet pipe, this fitting is made of brass. Quality and durability are self-explanatory. Due to the conventional way of construction, water flow and temperature can be regulated precisely. Due to the low construction height, installation is also possible with little space available.

Fitting made of brass. Brass hose tail.

Specifications

Connection	3/8"
