Housing FAWO 2

THETFORD

Information

Pack size	15.1 x 7.3 x 3.1 cm
Net weight	24 g
Gross weight	24 g

The FAWO 2 housing is an ideal spare part for the FAWO 2 locking system for the Thetford service doors 3, 4, 5, 6, and 7. This housing is the locking cylinder integrated into one of the two push buttons of the service door. The FAWO 2 locking system (also known as HSC) uses an oval key with internal milling.

Specifications

Colour	cream white
Suitable for	Fawo 2
