Manufacturer's no. 100032-01

Spray Bottle mikiGREEN Miki.Misch.Flasche.

Information

Dimensions	25x6 cm
Pack size	26x8x6 cm
Net weight	100 g
Gross weight	100 g

Stylish spray bottle for mixing the mikiGREEN® household concentrates with cold or warm water. With 300 ml filling volume and innovative spray button for safe and powerful spraying from any position. Also suitable for large-area application. By pressing the button lightly, a fine spray mist is released, allowing you to reach even the most distant crevice with pinpoint accuracy. This is an economical and thorough way to clean small and large surfaces in your home and on the go. Spray, wipe, done!
