The **18-piece** rubber bungee cord set is a versatile solution for securing and tensioning. The six different wire sizes are made from durable, UV-resistant and water-repellent polypropylene, making them perfect for outdoor use.

With a tensile strength of up to **70 daN**, the bungee cords handle demanding attachments effortlessly. The set comes in a compact hard plastic box with a screw lid for neat and space-saving storage. Perfect for camping, outdoor activities and DIY projects.

- 18-piece complete set – contains bungee cords in 6 different lengths, ideal for a wide range of applications such as camping, workshops, garden or transport.
- High tensile strength up to 70 daN – the elasticated rubber cords with sturdy hooks secure even heavy loads reliably and with stable tension.
- Weatherproof & UV-resistant – made from a robust polypropylene cover with a water-repellent surface – ideal for long-term outdoor use.
- Safe & tidy storage – comes in a reusable hard plastic box with screw-on lid – perfect for transport and storage without cable clutter.
- Versatile – for camping, DIY projects, trailers, roof racks,
