Powerstation RIVER 3 UPS

ECOFLOW

Information

Dimensions	25.5 x 11.3 x 20.7 cm
Pack size	36 x 25.5 x 16 cm
Net weight	3.43 kg
Gross weight	4.5 kg

The EcoFlow RIVER 3 UPS is a compact and powerful portable powerstation that is perfect for outdoor adventures and everyday use. With its lightweight design and 30% smaller footprint compared to the industry average, it is easy to transport and fits into any backpack or minivan.

Thanks to the innovative X-GaN Power technology, the RIVER 3 UPS features improved energy efficiency that doubles the runtime of low-power devices. Additionally, it operates whisper-quiet with a noise level of under 30 dB, ensuring a pleasant experience both at home and on the go.

Another highlight is the fast charging function, which allows for a full recharge in just one hour. Four different charging options – via AC, solar, car or generator – provide flexibility for various usage scenarios.

The RIVER 3 UPS features an uninterruptible power supply (UPS) with a switchover time of less than 10 ms, making it a reliable backup solution for sensitive devices. The durable LiFePO₄ battery cells offer a service life of up to 10 years with daily use.

With the EcoFlow app, you can conveniently control the powerstation and monitor the charging status and battery condition in real-time.

Specifications

Battery technology	LiFePO4 (Lithium)
Continuous output	300 W
Capacity	245 Wh
Nominal voltage	12 V 230 V
Type	RIVER 3 UPS

Short-term peak power 600 W; outputs (5): AC, DC, 2 x USB-A, USB-C.
