Protect your fingers from heat!

Almost all campers love the Omnia oven – but how often have you burned your fingers on the hot handle? With this crocheted protective cover made of recycled cotton, that will be a thing of the past!

The convenient handle cover allows you to easily open the lid of your Omnia oven without gloves. You simply slip the cover over the handle – done! It can be easily removed and washed at 30 °C. Even after frequent use, it retains its shape thanks to the sturdy cotton cord. Also suitable for RoadBaker.

Distinct

The handle cover is made of recycled cotton. Choose from different colours and customise the design to suit your needs!

Material: recycled cotton cord

Care instructions: washable at 30 °C; reshape it after washing

Manufacturing method: crocheted

Add a personal touch to your Omnia/RoadBaker oven and protect your fingers from heat!
