Freshness and cleanliness on the go

With the Shitstorm Fir Tree from Woshup, hygiene in mobile toilets is significantly improved. The formula specially developed in Bavaria ensures that waste and conventional toilet paper are reliably broken down. At the same time, the additive prevents the formation of unpleasant deposits in the waste tank – for a consistently clean and functional toilet. The intense fir tree scent gives the interior a pleasant freshness and effectively reduces unpleasant odours, even at higher temperatures or with prolonged standing times.

- Effective breakdown of waste and toilet paper
- Fresh fir tree scent for a pleasant indoor climate
- Protection against deposits and blockages in the tank
- Ideal for camping, motorhomes and mobile sanitation facilities
- Developed and produced in Bavaria

A well-thought-out solution for more convenience and hygiene while travelling – powerful, reliable and refreshing.
