The Camping Connect offers a simple and secure connection between the cartridge and stove thanks to the Easy Clic Connect & Dual-Lock function. Coloured lock symbols clearly indicate whether the stove is unlocked (red) or ready for use (green) – for maximum safety on the go. With its 1.25 kW burner, the Camping Connect ensures quick meals and hot drinks. Four sturdy pot supports provide firm stability and the compact design allows for easy transport – ideal for camping, hiking and trips with light luggage.
