The rechargeable camping light STRING combines modern design with functional versatility. Its compact construction and innovative spiral light create a pleasant atmosphere – ideal for cosy evenings in the tent, awning or on the go.

With three light modes – warm white, cool white and combined – as well as a stepless dimmer function, the brightness can be adjusted flexibly. Be it as atmospheric ambient lighting or a practical torch: the STRING provides the right light for every situation.

Thanks to the supplied cord, the lamp can be hung almost anywhere – on branches, tent poles or hooks. The integrated charge indicator reliably shows the battery status. Additionally, the camping light features a power bank function, allowing you to conveniently charge smartphones or other devices.

Advantages:

- Rechargeable LED camping light with spiral light
- Three light modes and dimmer function
- Practical hanging cord for flexible use
- With charge indicator and power bank function
