Efficient solar solution with easy installation

The HIGH POWER solar set Easy Mount3 120 W offers a powerful and convenient way to achieve independent power supply. The high-quality ALDEN solar panels are designed as a complete set with practical accessories. Thanks to the innovative Easy-Mount3 mounting system, the set is particularly easy and secure to install.

The included ALDEN solar controller ensures optimal charge control, while the UV-resistant cable set, the special adhesive kit and the high-quality junction box enable a reliable installation. With a performance guarantee of 25 years, long-lasting energy supply is ensured.

Advantages:

- Well-thought-out complete system
- Easy-Mount3 mounting system for effortless installation
- 25 years performance guarantee
- Incl. high-quality solar controller
- Integrated holder for maximum stability

The ideal solution for motorhomes, campers and independent power supply.
