PP Spacer Plate Fix&Go Bridge

Information

Pack size	22.2 x 18.9 x 4.6 cm
Net weight	45 g
Gross weight	201 g
Catalogue page	186

Add-on for the Fix&Go Anchor Plate 2.0. With the optional use of the Fix&Go Bridge, the distance between the anchor plate and the ground increases by 2 cm. Due to the bridge-like construction, water can flow freely and dirt particles are simply washed out. If necessary, Fix&Go Bridges can be stacked and the floor spacing can be increased, even on fine sand. The length of the Peggies used should be taken into account. Scope of delivery: 2 Fix&Go Bridges.
