iNDUS® Black (C)

The black water additive iNDUS Black (C) has been specially developed to enable hygienic and odourless disposal of collected black water. It keeps odours under control in the black water tank. Additionally, it prevents limescale formation in the black water tank and black water pipes.

- Fully automatic additive dosing: no more under- or overdosing
- Ensures hygienic and odourless disposal
- Specifically developed for the iNDUS smart sanitation system
