The luxurious camping table AP/246 is both stylish and convenient – perfect for any outdoor adventure. The combination of a reinforced aluminium frame and a high-quality tabletop not only makes it particularly robust but also extremely durable.

The waterproof as well as scratch- and heat-resistant tabletop withstands the challenges of outdoor living, while the aluminium frame and the reinforced table edges give the table an elegant appearance. Stabilising feet ensure a secure stand on any surface – be it on uneven grass or solid ground.

Thanks to the infinitely adjustable table legs, the height can be flexibly adjusted from 59 to 76 cm. The thoughtful folding mechanism allow you to effortlessly set up and fold the table, making it particularly compact for storage and easy to transport.

Advantages:

- **Extremely robust and lightweight** thanks to reinforced aluminium frame
- **Heat-resistant, waterproof and scratch-resistant tabletop** for maximum durability
