The fourth volume of the successful series! Jutta Neumann, editor and RV sites expert of the trade magazine REISEMOBIL INTERNATIONAL, has once again compiled a varied selection of motorhome routes in Germany and top destinations abroad for this new issue.

All places were tested with a motorhome, the campsites were inspected on site and all information in the travel guide is up to date.

Volume 4 again includes destinations for every season: Be it a tour to the enchanting Lake Maggiore in spring, a summer trip to the local Elbe, hiking in Luxembourg, seeing the wine harvest on the fairytale Loire, an autumn break in the wonderfully quiet Mecklenburg Lake District or visiting the romantic Christmas markets in Saxon Switzerland – everyone will find what they are looking for! Additionally, the guide contains selected city tips for top destinations such as Tübingen, Görlitz and Augsburg.

Lovingly illustrated and attractively presented with many photos – suitable for beginners and experienced motorhome drivers.
