Double-walled, durable and stylish

This high-quality French press made of double-walled stainless steel combines modern design with robust craftsmanship. Thanks to the insulating double walls, coffee or tea stays hot for up to 3 hours while retaining its full aroma.

Features:

- Double-walled stainless steel for long-lasting heat retention
- Ergonomic handle for secure handling
- Double stainless steel filter for an especially fine aroma
- Rust-resistant and shatterproof
- Colour does not chip or crack
- Not dishwasher-safe

For fans of coffee and tea

With its timeless look, the coffee pot fits perfectly into both modern and classic kitchens. The stainless steel filter ensures an intense flavour experience, while the sturdy construction guarantees a long service life.
