The Ran stool is the ideal complement to your camping chair, providing extra comfort while travelling. Be it as a comfortable footrest for relaxing or a practical seat for spontaneous visitors – the sturdy stool impresses with its versatility and thoughtful design. With a load capacity of up to 100 kg, it offers reliable support in any situation. The lightweight aluminium frame makes the stool especially easy to transport and allows for quick assembly and disassembly. The seat surface is made of durable polyester with a PVC coating and a comfortable foam padding. The material is easy to clean, weather-resistant and ideal for outdoor use.
