Highly effective disinfection and biofilm removal for your fresh water system

Keep your fresh water system clean and hygienic with DEXDA® Clean active! This chlorine-free cleaning solution removes biofilm and contaminants from your fresh water tank and pipes.

Thanks to the innovative combination of hydrogen peroxide and activated oxygen, bound in natural minerals, DEXDA® Clean active thoroughly and gently cleans all water-contacted materials. The best part: rinsing is not necessary! The cleaner leaves no taste or smell and is also ideal for odour and dirt removal in grey water tanks.

Your advantages at a glance:

- **Effective biofilm removal:** protect your fresh water system from germs and bacteria.
- **Easy to use:** no complicated rinsing required.
- **Gentle on materials:** tough on dirt, gentle on your tanks and pipes.
- **Versatile application:** suitable for fresh and grey water tanks.

Specifications

Content 600 g
