

Item no. 610/462
Manufacturer's no. 4714

Furniture Fitting System for Flush Installation, 20 mm

Information

Dimensions	20x10x5 mm
Pack size	2 x 1 x 0.5 cm
Net weight	10 g
Gross weight	13 g

These magnetic systems are suitable for flush installation in the piece of furniture. They are fixed in place using wood screws in the drilled hole. Strong neodymium magnets ensure optimal adhesion, while the included rubber cap protects the magnet core from impacts. The systems are supplied with the appropriate counterpart. The included rubber cap dampens sounds and makes the fitting look good when installed.

The assembly set consists of:

- Magnet
- 2 x disc
- 2 x screw
- Rubber cap
