Pleasant room fragrance for the Bellaria AIR CUBE

With the **"Vanilla Breeze" fragrance inserts**, you create a consistently pleasant and fresh atmosphere in your bathroom. The inserts, specially developed for the **Bellaria AIR CUBE**, ensure a balanced room fragrance climate and support a well-maintained ambience in the sanitary area of your motorhome, caravan or bathroom.

The scent **"Vanilla Breeze"** combines a light freshness with a subtle hint of vanilla. This creates a harmonious fragrance note that masks unpleasant odours and fills the room with a gentle, soothing freshness. The fragrance insert distributes the fragrance evenly and thus contributes to a consistently pleasant room climate.

Thanks to the simple application, the scent insert can be quickly and easily placed into the **Bellaria AIR CUBE**. The continuous fragrance release supports a clean and well-kept feeling in the bathroom area.

Advantages:

- Pleasant room fragrance with a fresh note and gentle vanilla
- Supports a pleasantly scented room climate in the bathroom
