Luggage Scale

Information

Dimensions	9.4x3.3x3.7 cm
Pack size	12.3x8x4.6 cm
Net weight	80 g
Gross weight	110 g
Catalogue page	529

You are probably familiar with the unpleasant situation before the check-in counter at the airport, wondering whether your luggage will meet the weight requirements. To avoid annoying repacking and unnecessary extra costs in the future, this useful luggage scale offers you the possibility to check the weight of your luggage beforehand.

Its handy size makes it ideal for travelling, which means that you can weigh your luggage again before your return flight – for carefree holiday shopping.

- For checking the weight of your luggage
- With LCD display
- Small and handy – fits in any suitcase
- Ideal for travelling
- Tare function
- Automatic switch-off function
- Backlight
- Incl. battery (1 x CR 2032)
