This clever kitchen accessory combines two functions in a compact design: a sturdy cutting board and a collapsible bowl. Ideal for small kitchens, motorhomes or campsites – anywhere space matters.

The high-quality material ensures stability while cutting, while the board can be transformed into a bowl with just a few simple steps. Thanks to the integrated water drain, pouring off water is especially easy – perfect for washing fruit, vegetables or dishes.

Whether you are camping, in the garden or at home: this 2-in-1 solution saves space, time and effort.
