Transform any stove into a barbecue

The universal baking plate is suitable for stoves of various brands, including the 2 Cook 3 from CADAC | Dometic. The plate has a ceramic coating and is therefore completely PFOA-free.

With the removable handle, the grill plate can be easily placed on the stove's pan support and is ready for grilling. Ideal for pan dishes.

Thanks to the included transport/storage bag, the plate can be safely stored and transported.
