The EcoFlow DELTA 3 Plus is the ideal powerstation for reliable energy supply at home or on the go. With a capacity of 1024 Wh and an AC output of 1800 W, it effortlessly powers numerous household appliances. Thanks to its expandable capacity of up to 5 kWh, the DELTA 3 Plus flexibly adapts to your individual energy needs.

With a solar input of up to 1000 W and a full recharge time of just one hour, it impresses with its outstanding efficiency. The 10 ms UPS function ensures protection for sensitive devices during sudden power outages.

Thanks to X-Quiet technology, the powerstation operates ultra-quietly and is perfect for noise-sensitive environments. The device can be conveniently controlled and monitored via the EcoFlow app. The DELTA 3 Plus is complemented by a 5-year warranty, promising quality and durability.

Specifications

Battery technology	LiFePO4 (Lithium)
Continuous output	1800 W
Capacity	1024 Wh
Nominal voltage	12 V 230 V
Type	DELTA 3 Plus
