

Item no. 610/471
Manufacturer's no. 20972

Magnet A-System rondoline with Cylinder Hole, 18 mm

Information

Dimensions	6 x 18 mm
Pack size	1.8 x 1.8 x 0.6 cm
Net weight	5 g
Gross weight	6 g

This A-system is particularly suitable for use on sensitive surfaces. The special rubber coating prevents scratches or discolouration on the surface. Additionally, the frictional forces are higher due to the rubber coating.

Specifications

Colour	black
Material	rubber
