The table lantern Lucerne combines modern design with practical technology. The green casing from the Industrial collection provides a striking accent, while the warm LED light creates a cosy atmosphere. Thanks to the stepless dimming function, the brightness can be adjusted individually – perfect for cosy evenings, atmospheric decoration or subtle lighting.

An integrated Li-ion battery allows cordless operation and can be conveniently charged with the included USB cable. The hanging loop on the handle offers additional flexibility: be it on the table, on a shelf or hung up – the Lucerne table lantern adapts to any environment.

- Modern, green design from the Industrial collection
- Warm LED light with stepless dimming
- Integrated, rechargeable Li-ion battery
