Set of „Vario“ magical hooks for up to 3.5 kg

Discover the versatility and ease of use of the magical hooks „Vario“ in a convenient set. These innovative hooks offer a revolutionary solution for hanging your items in the kitchen, bathroom, on the ceiling or elsewhere in your home without having to drill any holes. The highlight of the Vario hook is its unique articulated design, which allows flexible use both horizontally and vertically, making it a true all-rounder when it comes to organisation and decoration.

Possible uses:

The magical hook Vario is not just a simple hook. Its versatility allows it to be used as a ceiling hook, on skylights, as a pole holder and for much more. Thanks to its strong adhesive performance, it provides a reliable hold on almost any smooth, grease-free and non-porous surface.

Easy to use:

Using the magical hooks is extremely simple: clean the surface, peel off the protective film, stick on the hook – done! These hooks are ideal for drill-free installation, which also guarantees residue-free removal.
