Foldable Canister Waste Water Collection System with Valve Closure, 20 l (Extension or

SIMPLY-COLLECT®

Information

Dimensions	30x8x31 cm
Pack size	31x30x8 cm
Net weight	260 g
Gross weight	450 g

Practical 20 l replacement canister with valve closure, suitable for both Simply Collect grey water collection systems. Ideal as an extension for increased capacity and a clean, controlled emptying.

The foldable canister is space-saving to store and easy to carry thanks to the double handle. The valve closure allows for secure handling without dripping.

The extension set consists of:

- 1 x 20 l foldable canister with double handle
- 1 x valve closure for the foldable canister

Contents: 1 piece

Weight: 0.26 kg
