Experience luxurious comfort on your next camping trip with the camping chair AP/238 Air-Deluxe – the ideal companion for taller individuals who value extra space and flexibility. The extra spacious and adjustable chair combines functionality and high-quality materials for an unparalleled seating experience.

Thanks to the seven-position adjustable backrest, you can tailor the seating position to your needs – perfect for relaxation and comfort in any situation. The padding is made from an innovative 3D fabric that is not only ergonomically shaped but also particularly breathable. This keeps the chair pleasantly cool and dries faster than traditional foam padding, as the open cell structure efficiently diverts moisture.

With its anodised H-frame, the AP/238 Air-Deluxe offers maximum stability and safety. When folded, this chair impresses with its compact shape, allowing for easy transport.

Advantages at a glance:

- **Extra spacious:** more room with a wider seat and backrest, perfect for taller individuals.
- **7-position adjustable backrest:** optimal seating position for any occasion.
