

Item no. 323/393

Manufacturer's no. 60-380-1003

Battery Holder with Strap for LFP Battery 5 kWh

ECOFLOW

Information

Pack size 51.5x19x4 cm

Net weight 2.4 kg

Gross weight 3 kg

The EcoFlow battery holder with securing strap is the perfect solution to securely and comfortably fasten your EcoFlow LFP battery. This robust holder is specially designed for the dimensions of EcoFlow batteries and guarantees a firm fit and optimal protection on the go. The integrated securing strap provides additional safety and allows for easy and quick attachment and removal of the battery.

The EcoFlow battery holder enables you to securely fasten the LFP battery to the floor of your motorhome, caravan or boat.

This battery holder is an essential accessory for all EcoFlow users.
