The 10-piece pot set Click-On revolutionises your kitchen with its innovative and practical design. This cooking system features patented, detachable handles that fit all pots and pans and can be positioned freely, making them incredibly easy to use. The handles attach easily and intuitively, making cooking even more enjoyable.

Thanks to its multifunctionality, this set is a true all-rounder. It is perfect for cooking, frying, baking, gratinating, serving and storing – all in one pot. The detachable handles allow for space-saving storage, as the pots and pans can be stacked inside one another. Additionally, the set is ideal for use in the oven and can be cleaned easily and compactly in the dishwasher.

Another highlight of the Click-On pot set is its stylish design. Without the handles, the pots and pans can be taken directly from the stove to the set table, ensuring an elegant presentation. The set is made from high-quality, 18/10 stainless steel, guaranteeing durability and robustness.

The pans are coated with a very high-quality and extremely durable PFAS-free ceramic non-stick coating, which enables healthy cooking and makes cleaning easier. The thermo-

Specifications
