The cap holder for gas cylinder caps

Never lose your gas cylinder's protective cap again – with this innovative folding holder, it will always be within easy reach. The cap holder for gas cylinder caps offers a convenient and safe solution for storing the red protective cap of your gas cylinder. Easy to install, the holder can be attached using either the screws supplied or the adhesive pad included, allowing flexible installation on a variety of surfaces.

- **Safety and tidiness:**

Keep your gas cylinder's red protective cap safe to prevent loss or damage.

- **Ready to hand:**

With this holder, your gas cap is always where you need it – no more searching.

- **Easy installation:**

Choose between a fixed installation with screws or a quick attachment with the adhesive pad.

- **Universal fit:**

Designed to hold common red gas cylinder protective caps.

- **Durability:**

Made from robust materials for long-term use.
