Brilliantly simple, convenient and versatile. Thanks to the adjustable size, the products are particularly versatile. They are stackable, space-saving and also fit into narrower drawers or storage compartments, transport boxes and camping kitchens. Also suitable for transport in the boot etc.

Special features:

- Dimensionally stable, space-saving & versatile
- Can be combined with other products from purvario by DÖRR (cutlery inserts, plug-in holders, storage rails)
- Adjustable size thanks to cuttable side walls and nub plate
- Comfortable to carry
- Washable
- Easy to use – just plug the components together

Flexible & stackable storage boxes

The storage tower consists of three stackable boxes that can also be conveniently used individually. The great advantage:

Camping and household utensils can be packed up in advance, so that everything is already in its place in your caravan, motorhome, etc. Height: 12 cm per box.

The highlights:

Specifications

Colour	lime, dark grey
Material	plastic
Set	3 pieces

- Stackable
- Especially comfortable to carry
- Flexible size (can be cut to size at the perforations)
- Can also be used in Euro boxes

Very robust and easy to transport. Easy to use for stowing away camping and household utensils. Cut the stow bars to your preferred size and attach them to the base plate.

Incl. 12 stow bars (4 pieces per storage box). The base plate and the stow bars can be cut to size at the perforations (every 5 mm). The width of the side walls can be shortened (perforated) to approx. 260 mm, which means that there are 3 possible sizes (340 mm, 300 mm, 260 mm).
