The FAWO WS-LITE combines modern design with practical functionality. Its slim aluminium housing blends discreetly into any caravan or camping environment, while the neutral white light (4000 K) provides clear and pleasant illumination – ideal for awnings, cupboards or interiors.

The integrated motion sensor automatically switches the light on as soon as movement is detected – providing light exactly when it is needed.

Thanks to its powerful battery and USB-C charging cable, the WS-LITE is completely wireless and flexible to use – be it on the go, while camping or in everyday life.

Compact. Stylish. Practical. The FAWO WS-LITE lights up every corner.
