Washing Machine with Spin Dryer

Information

Dimensions	18x17.5x9 cm
Pack size	38x34x34 cm
Net weight	2.5 kg
Gross weight	3.18 kg
Catalogue page	692

This practical washing machine with an integrated spin dryer combines washing and spinning in one compact appliance. It is perfect for camping, travelling or use in small households – as well as a temporary solution when the main washing machine breaks down.

Thanks to its space-saving design, the washing machine is easy to transport and store. The sturdy stabilising feet with suction cups provide a firm grip – be it on the floor or on a table. This ensures that the appliance stays securely in place even during the spin cycle.

The simple operation and low energy consumption make this washing machine with spin dryer a practical solution for clean laundry wherever space is limited or there is no fixed connection.

Washing capacity: approx. 2 kg of laundry (dry)
