Camping Table AP/247

Information

Dimensions	110x70 cm
Pack size	110x70x4 cm
Net weight	7 kg
Gross weight	8.4 kg
Catalogue page	748

This luxurious and very sturdy camping table features a heat-resistant, waterproof melamine tabletop and a robust powder-coated aluminium frame. The table has infinitely adjustable legs that can easily be extended to the right length and secured with a quick-release mechanism. The self-leveling stabilising feet ensure optimal stability at all times, even on uneven terrain. With a single motion, the legs can be effortlessly folded in, allowing for comfortable transportation with a thickness of just 4 cm, making it very space-saving. The table boasts a unique folding mechanism that makes setting it up and folding it again very simple.
