Discover the elegance and functionality of the Touch ceiling light – the perfect addition to modern recreational vehicles. Equipped with the innovative Touch function, this light is not only easy to operate, but also dimmable and features a blue nightlight.

The Touch ceiling light emits a diffuse, warm white light that creates a cosy atmosphere. The high-quality acrylic surface has an elegant black coating, while chrome-coloured details add a modern touch to the design.

This light combines style and functionality, serving not only as a light source but also as an aesthetic element in your recreational vehicle. The Touch ceiling light focuses on timeless elegance and brings a modern look to any room.
