Manufacturer's no. 40-111-1010

Powerstation Trail Plus 300 DC

ECOFLOW

Information

Dimensions	11.5 x 12.3 x 20.6 cm
Pack size	18 x 17 x 26 cm
Net weight	2.36 kg
Gross weight	3.3 kg

The **EcoFlow TRAIL Plus 300 DC Portable Powerstation** is a reliable companion for all outdoor adventures. With **288 Wh capacity** and a lightweight design, it combines powerful performance with maximum mobility. Whether you are camping, at a festival or travelling in a van – it reliably powers your devices whenever and wherever you need it.

Compact, lightweight & robustly built

Thanks to its thoughtful design, the TRAIL Plus 300 DC remains comfortably handy without compromising on durability. Its sturdy casing reliably protects against external influences – perfect for use outdoors. With a capacity of **288 Wh**, you can charge or operate smartphones, laptops, cameras or coolers multiple times. This means that you are well equipped even for multi-day trips.

Versatile connection options:

- 2 USB-C ports (140 W & 100 W)
- 2 USB-A ports
- 1 car output 12 V

This allows you to power several devices simultaneously – from your laptop to your camping lamp – reliably with energy.

Enhanced features for more comfort:

Specifications

Battery technology	LiFePO4 (Lithium)
Continuous output	300 W
IP protection class	IP30
Capacity	288 Wh
Nominal voltage	12 V
Type	Trail Plus 300

- Integrated camping light – provides pleasant illumination inside the tent or at the campsite
- Practical holders – for easy handling on the go
- Improved usability – all tailored for outdoor comfort

Flexible charging

No matter where you are: the powerstation can be charged flexibly – via wall socket, **USB-C** or with **compatible solar panels**. This keeps you independent from the power grid and lets you harness the power of the sun whenever it is available.

Advantages:

- Premium model of the TRAIL series with 288 Wh capacity
- Integrated camping light for added comfort
- 2 USB-C, 2 USB-A & 12 V output – full range of connections
- Robust & lightweight – ideal for outdoor use
- Flexible charging options via mains, USB-C or solar panel

Energy that travels with you

The **EcoFlow TRAIL Plus 300 DC** is the ideal solution for those who do not want to do without reliable power on the move. With its compact design, flexible connections and thoughtful extras, it is perfectly prepared for your adventures – independent, powerful and always ready for use.

Outputs (6): 3 x USB-C, 2 x USB-A, 1 x DC
