The Thetford separation toilet ventilator kit is the ideal addition for all users of a Thetford separation toilet, providing an active and reliable solution for odour control both inside and outside the bathroom.

- Actively extracts unpleasant odours directly from the separation toilet, ensuring a fresh-smelling bathroom
- Filters the extracted air before it is released outside, preventing unpleasant smells around the vehicle
- Improves comfort and hygiene in small spaces such as motorhomes and caravans
- Designed for use with Thetford S220 separation toilets and Thetford toilets converted with the SK220 separation kits
- Requires a 12 V connection
