Stylish retrofit housing for your Truma heater S 3004

Give your Truma heater S 3004 a new, elegant look with this high-quality retrofit housing. The housing impresses with a stylish chrome application and seamlessly integrates into your existing heating system.

Easy to retrofit

This retrofit housing is specifically designed for already installed S 3004 heaters and is not suitable for the new installation of a heater. Please note that the top cover and the control panel are not included.

Stylish design and high functionality

The housing combines modern design with high functionality and ensures that your Truma heater looks particularly stylish. Perfect for those who value quality and design.
