No more chaos when travelling!

With the magnet sandwich, you can finally enjoy peace and quiet when travelling! The clever magnetic system for retrofitting is the all-rounder for everything that flies around or rattles when travelling.

Keep everything safely in its place

From plates and bowls to pans and pots – the magnet sandwich holds everything securely in place.

Flexible and easy to clean

Thanks to the elastic silicone, the magnet sandwich adapts to any surface and is 100% flexible. The magnet can even be removed and replaced, which makes cleaning the adapter much easier.

Simple installation

Installation is child's play: simply place the magnetic adapter on the desired utensil. Stacking plates, for example, is also no problem with the adapters.

Maximum efficiency

Combine it with the silwy® nano gel mat or a placemat for maximum efficiency.
