Transport your tableware, household items or food containers, quietly and space-savings – no matter if you are in your camper, caravan, vehicle or on a boat. The Vario system offers four flexibly applicable fixation modules for different sizes and versions as well as the necessary velour base plates (can be cut to fit perfectly) made of velour fabric on a plastic, multi-skin sheet. The fixation modules can be individually attached to the base plate with the Velcro-velour principle.

- Suitable for all sizes
- Space-saving and flexible
- Easy handling due to Velcro-velour system
- Low weight
- Washable

The Vario system modules can only be used in combination with the velour plate!

The **fixation modules** are available in four different sizes. Thus, you can safely store cups, glasses, bottles, plates, sauce pans, etc.
