Insect Repellent Refill Pack M-48 for Backpacker PT-19 Thermacell

Information

Pack size	13.4x10.3x4.2 cm
Net weight	420 g
Gross weight	520 g
Catalogue page	103

The Thermacell M-48 refill pack was specially designed for the MR-BP-Backpacker device and consists of 12 active ingredient pads with PT-19 Eucalyptus Citriodora – sufficient for 48 hours of insect protection. The Backpacker uses its own gas cartridges, so that the refill pack contains only the active ingredient mats, each effective for up to 4 hours. The active ingredient mats are shelf-stable and do not need to be used immediately. Unused mats come in airtight packaging to maximise their shelf life. BAuA (Federal Institute for Occupational Safety and Health) regulation no.: N-117299
