The 4-in-1 Marine toilet additive is a powerful solution for mobile sanitation systems – ideal for camping and boating trips. The formula works reliably in both fresh and saltwater, making it perfect for use at sea. With 40 doses, the quantity lasts up to four months when using a standard 20-litre tank. The ingredients support the rapid breakdown of faeces and toilet paper, while a fresh orange scent reduces unpleasant odours. Additionally, the formula ensures a sparkling clean toilet and can be safely disposed of via the toilet. Thanks to the versatile 4-in-1 formula, the additive is suitable for waste tanks as well as grey and black water tanks – be it for cleaning or effective odour prevention.

Advantages:

- 40 doses – sufficient for four months of camping (with a 20-litre standard tank)
- Highly effective, ideal for larger tanks
- Works reliably in fresh and saltwater
- Fresh orange scent
- Supports the breakdown of faeces and toilet paper
- Ensures sparkling, clean toilets
