Beautiful custom-made case for the Omnia oven made of EVA material.

- Water-repellent
- UV-resistant
- Weatherproof
- Extremely robust

This convenient hard case protects your Omnia oven from bumps and scratches. With its robust zip and the well thought-out suspension, the case is suitable for use on land and at sea. Place the stove in the case the same way you place it on the hob so that nothing rattles.

Let all parts of the stove cool down before you put it in the case.

EVA degree of hardness 75, EVA thickness 6 mm.
