Shiny rims with long-lasting protection

Shiny rims are not just a matter of appearance, but also of maintenance. With the Felgen Washer rim cleaner from Woshup, every cleaning becomes noticeably more efficient in the long term. The innovative formula leaves a fine protective film with every application, effectively counteracting dirt formation. Residues will simply bead off in the future, making future cleanings noticeably easier and more time-saving.

It is incredibly simple and quick to use:

- Evenly spray the cleaner onto the rim.
- Moisten with water.
- Clean with a wheel brush or sponge.
- Rinse with clear water and dry.

After you wipe it off, the cleaner leaves behind a fresh scent as well as flawlessly shiny rims. The combination of cleaning power and protection technology makes this rim cleaner a reliable solution for long-lasting shine and maintenance – even with regular use.
