

Item no. 323/940

Manufacturer's no. RSHGWSN-W02W-G3-DE

Display Device ONE Core

Information

Dimensions	10.6 x 10.6 x 2.7 cm
Pack size	16.8 x 14.5 x 6.4 cm
Net weight	130 g
Gross weight	540 g

With the Renogy ONE Core, you can keep an eye on your energy at all times – worldwide, in real-time and on multiple devices simultaneously. The cloud-based system enables 24/7 energy analysis, allowing you to efficiently monitor and optimise both energy production and consumption. Ideal for off-grid systems and autonomous applications, the ONE Core helps you reduce costs and lower your carbon footprint.

As a versatile display device, ONE Core connects your energy monitoring with modern home automation. Intelligent accessories such as door alarms or climate sensors can be easily integrated, providing more comfort and security – no matter where you are.

Specifications

Colour	black
Content	1 piece
Cable length	5 m
Nominal capacity	3.2 W
Nominal voltage	12 V 24 V
Type	ONE Core
