Deep clean all water-compatible floors

Stains and unpleasant odours cannot be permanently eliminated if they are merely covered up. The Bactador® floor cleaner and odour remover uses an effective, probiotic formula that reliably neutralises sources of odours and thoroughly removes dirt. Ideal for households, pet environments and high-traffic areas, this powerful cleaner ensures hygienic freshness.

Thanks to its versatile applicability, the cleaner is suitable for all water-resistant floors – and also for vacuum and mop robots, provided the manufacturer's specifications are followed.

Advantages:

- Removes stubborn stains without residue
- Perfect for households with children and pets
- Provides a pleasant fresh scent
- Recommended by veterinarians

For long-lasting cleanliness and hygienic freshness in every living area.
